Medicated for maintaining weight gains and feed efficiency in the presence of atrophic rhinitis.

Active Drug Ingredient: Tylosin 100 g/ton

FEEDING DIRECTIONS

Feed continuously to show pigs weighing from 75 pounds to show weight. Approximately 3 weeks prior to show, transition to Honor® Show Chow® Powerfill® to help soften muscle and create a fuller looking pig.

Warning:

Contains a high level of copper; do not feed to sheep.

Reminder:

Feed is perishable and should be stored in a clean, dry, well-ventilated area so it will remain fresh and palatable. DO NOT feed moldy or insect infested feed to animals as it may cause illness, abortion or death.

Fresh, clean water should be available at all times.
