Showpig Solution 18 T100

Honor® Show Chow® Showpig Solution is an 18% protein feed designed to be an economical alternative for feeding show pigs. Solution 18 T100 is formulated to be used with High Octane® Champion Drive Topdress and High Octane® Power Fuel™.

Approximately 3 weeks prior to show, transition to Honor® Show Chow® Powerfill® to manage weight gain and create a softer, fuller looking pig.

FEATURES	BENEFITS
Formulated for maximum feed intake	Pigs obtain fill and body mass
Contains 3.5% crude fat	Provides energy to fuel normal growth and muscle development
Optimum amino acid to energy ratio	Allows pigs to continue adding lean gain (instead of fat) late in growth curve
Ideal Protein formulation	Provide accurate and predictable essential amino acid intakes
Available with Tylan™	Improves daily gain and feed efficiency

Medicated for Complete Swine Grower

Maintaining weight gains and feed efficiency in the presence of atrophic rhinitis

Active Drug Ingredient: Tylosin (*as Tylosin Phosphate*) 100 g/ton

FEEDING DIRECTIONS

Feed to growing swine being fed for show purposes from 50 lbs to show. For more energy, supplement with High Octane® Power Fuel™ at ½ to 1 lbs/day. For more protein, supplement with High Octane® Champion Drive Topdress at ½ to 1 lbs/day.

Caution:

DO NOT FEED TO SHEEP DUE TO HIGH LEVELS OF SUPPLEMENTAL COPPER.

Reminder:

Feed is perishable and should be stored in a clean, dry, well-ventilated area so it will remain fresh and palatable. DO NOT feed moldy or insect infested feed to animals as it may cause illness, abortion or death.

Fresh, clean water should be available at all times.
